

Support

The support section of Global Office allows administrators to contact Plus Edit with any questions regarding using the website.

The support section is accessed from the link at the top right corner of every page in Global Office.

The 'New Support Request' form should be filled to create a new support ticket.

New Support Request

Title :

Name :

Telephone :

Email :

Site :

Site Address :

Support Message :

All previous support tickets can be accessed from this section so that administrators can see solutions to any previous problems/ questions.
